**Re : CC Docket No. 02-33
Amended Notice Regarding Broadband Internet Access Transmission Service**

Dear Ms. Dortch:

On December 28, 2005, Frontier Communications ("Frontier") sent notice in accordance with the Federal Communications Commission's *Report and Order and Notice of Proposed Rulemaking* in CC Docket Nos. 02-33 and 01-337 released September 23, 2005, FCC 05-150 ("*Broadband Internet Order*"), that the following carriers intended to discontinue offering common carrier broadband Internet access transmission service under NECA Tariff F.C.C. No. 5:

<u>Company</u>	<u>State</u>	<u>Study Area</u>
Frontier Communications of DePue, Inc.	IL	340998
Frontier Communications of Georgia LLC	GA	220387
Frontier Communications of Indiana, Inc.	IN	320750
Frontier Communications of Lamar County, LLC	AL	250301
Frontier Communications of Mississippi, Inc.	MS	280460
Frontier Communications of Viroqua LLC	WI	330967

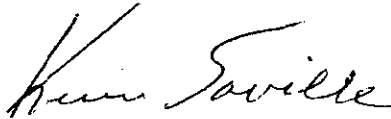

Subsequent discussions with NECA personnel and FCC Staff indicate that rate of return companies, including the Frontier average schedule companies identified above, will not be permitted to offer broadband Internet access transmission service on a non-common carrier basis until the FCC resolves outstanding cost allocation issues.

Consequently, Frontier has revised its plans and will not offer broadband Internet access transmission service on a non-common carrier basis at these companies. Frontier has no existing customers of broadband Internet access transmission service, and is not required to offer this service at all under the terms of the Federal Communications Commission's *Report and Order and Notice of Proposed Rulemaking* in CC Docket Nos. 02-33 and 01-337 released September 23, 2005, FCC 05-150 ("*Broadband Internet Order*"). To the extent Frontier decides to offer broadband Internet access transmission service at the above companies, it will do so on a common carrier, permissive detariffing basis as described at ¶ 90 of the *Broadband Internet Order*.

With this letter Frontier is amending its December 28th notice to the FCC, the affected state public utility commissions, the appropriate governors, and the Special Assistant for Telecommunications at the Department of Defense, as required by ¶101 and footnote 307 of the *Broadband Internet Order*. Frontier is also copying NECA on this notice.

Sincerely,
